LFUCG News

- On February 22nd, at 7pm, a public meeting will be held at Jessie Clark Middle School regarding the Clays Mill Road Project. While the section of Clays Mill in the 10th District is not part of the current project, frequent travelers of Clays Mill between Man O' War Boulevard and New Circle Road will certainly be impacted by the upcoming construction on this corridor. For more information on this long overdue project, please read my article in [The Southsider](#).
- Fayette County residents 50 and older are invited to learn more about LFUCG by enrolling in the 2011 Senior Intern Program. This free program offers seniors the opportunity to talk with key decision makers in city government, participate in class activities, and visit several government facilities. This year's program will be held June 20th-24th. Space is limited to the first 45 eligible people who apply. For more information, please visit the [City News Page](#).
