Re: 4th Quarter 2011 Activity Report (October 1, 2011 – December 31, 2011)

SYNOPSIS OF TRENDS:

It is with pleasure that I submit to you the 4th Quarter Report of 2011 from the Office of the Citizens' Advocate. The following document includes: a total number of citizen contacts received by this office; the number of citizen contacts broken down into 4 category types: requests for information; requests for assistance; complaints expressing a grievance against the urban county government, its officers, agents or employees; and inquiries not within the scope of the office of the Citizens' Advocate, which are referred to in this report as outside agencies. The office did close all cases received during this quarter. We did have 5 cases from the 3rd quarter that rolled over into this quarter pending outcomes that were eventually closed.

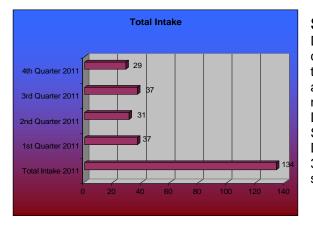

At-A-Glance: The 4th **Quarter Report of 2011** will provide each contact received by this office noting the nature of the intake (complaint, informational or assistance); (email, phone, visit or written); and (jurisdictional or non-jurisdictional). The pie graph illustrated below show 12% of contacts received this quarter required more than 15 working days to complete. This office

however, was able to complete within 15 working days 88% of the contacts it received. Reasons necessary for an extended time may be the result of additional fact-finding, investigative procedures, and/or interviews conducted by this office. In addition to the legislative processes, other factors beyond our control may be the result for delays like the abatement process, funding delays, pending respondent replies and/or process reviews.
