SUBJECT: Abolish/Create positions – Division of Waste Management

The attached action amends Section 21-5 of the Code of Ordinances, abolishing three (3) positions of Public Service Worker (Grade 106N), one position of Equipment Operator Sr. (Grade 109N) and one (1) position of Public Service Supervisor (Grade 111N) and creating two (2) positions of Administrative Specialist (Grade 110N) and two (2) positions of Public Service Supervisor Sr. (Grade 114E) in the Division of Waste Management, effective upon passage by Council.

The two (2) Administrative Specialist positions will be responsible for assisting the A.M. Operation Manager and the P.M. Operation Managers in the day to day Automatic Routing System, Kronos Timekeeping Advance Modules, and Customer Service Database System. The two (2) Public Service Supervisor Senior positions duties will be divided as follows;

- Collections. This supervisory position will enable the collections program to provide adequate coverage and supervision over the collection system. This will facilitate better customer service, more consistent collection and quicker response time. Currently supervisors may have to oversee as many as 45 to 50 employees over a large geographic area of the DWM service area when other supervisors are on leave.
- Material Recovery Facility. This position will replace the Public Service Supervisor Senior position that has been moved from the MRF to the E-waste recycling facility on Versailles Road to ensure that adequate oversight is provided to those operations.

The fiscal impact for FY2013 (16 pay periods) will be a savings of \$3,356.29 to fund 1115. All costs include benefits. This amount does not include lapse which has been included in the attached Budget Amendment.

ORDER WITH SKAPS INDUSTRIES IN THE AMOUNT OF \$32,298.75 TO
PURCHASE ADDITIONAL GEOCOMPOSITE MATERIAL REQUIRED FOR
THE CLOSURE OF THE HALEY PIKE LANDFILL

The Division of Environmental Quality and Public Works is requesting the authorization to execute a purchase order with Skaps Industries in the amount of \$32,298.75 to purchase 108,750 sq. ft. of Transnet 220 double sided 6 oz. geocomposite material required for the closure of the Haley Pike Landfill.

On July 10, 2012 the Council approved the bid of Skaps Industries in the amount of \$834,201.72 for the purchase of geocomposite material required for the closure of the Haley Pike Landfill. Once construction was started it was determined that the area to be closed was larger than the original estimates and additional material would be required. This purchase order is for that additional material at the same unit price of \$0.297 per sq. ft. as was originally bid.

Sufficient funds are budgeted in the following account.

RE: Collective Bargaining Agreement
Police Lieutenants and Captains

This memo is to request a Resolution accepting a new Collective Bargaining Agreement (CBA) between LFUCG and the Fraternal Order of Police, Lodge No.4, on behalf of Police Lieutenants and Captains.

This CBA is very similar to the one agreed to on behalf of Police Officers and Sergeants which was effective on July 1. Since there are less than 30 members in this bargaining unit the financial impacts are relatively small. However, the financial sacrifices agreed to by the Lieutenants/Captains are in line with those made by other public safety bargaining units.

A copy of the Agreement is attached. We have also attached an outline highlighting the changed provisions from the current CBA. Representatives of the administration's bargaining team will be available at Work Session to address any specific questions regarding the new CBA.

The proposed effective date of the new CBA is November 1, 2012 with a term of four years.
