Cmdr. Michele Remark, Div. of Police, stated that Officer Joseph Felinski has committed the offense of Inappropriate Action in violation of KRS 95.450 and General Order #73-2/H, Operational Rules, Section 1.48, in that on the 30<sup>th</sup> day of November, 2013 he was working in an off-duty capacity at the Fayette Mall and observed three juveniles engaged in disruptive behavior. In response to this behavior, Officer Felinski initiated contact with the juveniles and subsequently escorted them to the mall security office to obtain additional information and to prepare paperwork necessary to ban the individuals from the Mall property. While conducting the investigation, the thirteen year-old female juvenile refused to comply with Officer Felinski's requests and he acted by removing the juvenile from the security office and to the area of his cruiser located in the Mall parking lot. Prior to placing the female juvenile in the vehicle, she was searched and handcuffed by Officer Felinski; however, when she became compliant she was returned to the security office and eventually released into the custody of a relative. It appears from the documentation associated with the incident, to include a memorandum from Officer Felinski as well as video evidence obtained, that the juvenile was not being physically violent and that Officer Felinski had no intention of placing criminal charges against the individual and was only acting to enforce the Mall Policy. It also appears that if the juvenile had decided to become physically combative during her detention, the safest option would have been to stay within the security office where assistance was available. For these reasons listed, it appears that the juvenile's removal from the scene, handcuffing, searching, and placement in a patrol vehicle in order to gain compliance in obtaining information for a ban notice was inappropriate for the circumstances and that the appropriate punishment for this conduct is Forty (40) Hours Suspension Without Pay.

Upon motion of Ms. Gorton, seconded by Mr. Kay, the disciplinary action was approved by a majority vote of 13-0. (Ms. Mossotti and Mr. Ford were absent when the vote was taken)
