1405 Old Frankfort Pike
Lexington, KY 40504**

Public Education & Fraternal Order of Firefighters **ANNUAL GOLF SCRAMBLE** **Thursday, June 16, 2016**

This year's golf outing is again being held at the Gibson Bay Golf Course in Richmond, Kentucky, a beautiful, well-manicured 7,100-yard course in the heart of the Bluegrass. The LFD/FOF greatly appreciate your support in years past and hope you're able to play another round of golf with us in support of fire education in our community. You may field a team of four for \$200. Single slots are available at \$50/golfer. Complimentary team photos are provided with the fee. Winners not present at the end of the day will be notified by email the following day. To help us properly plan, we ask that you fill out the entry form and submit it with the entry fee of \$50 per player or \$200 per team.

If you are a business owner or business leader, please consider sponsoring a golf hole. This is a great advertising opportunity that will be seen by 300+ golfers. For a tax deductible contribution of \$200 for a hole sponsorship, your company's name will be recognized in the event program and at a tee box or on the greens. All funds raised from your sponsorship go directly in support of public fire education, which will have a positive impact on thousands of students and residents in the community. This includes fire prevention programs in schools, assisted living facilities and various community events. Funds are used to buy educational materials and to help make fire prevention programs more effective. Examples last year alone included 8,400 plastic fire helmets, 300+ smoke alarms, fire prevention parade and festival operating expenses, Citizen's Fire Academy classes, expenses required in development of public service announcements and more.

If additional registration forms are needed, email
gertong@lexingtonky.gov
