

# 1st Annual Sister Cities International Photography Challenge 2016

**Theme:**  
“Peace through People.”  
**DEADLINE: May 1<sup>st</sup>, 2016**

## Submission Guidelines

### **Theme:**

Sister Cities International aims to promote peace through mutual respect, understanding and cooperation – one individual, one community at a time. This year’s theme, “Peace through People” will commemorate the 60<sup>th</sup> Anniversary of Sister Cities International by celebrating 60 years of global citizen action and impact while looking ahead toward a better future for the world, so that people can come together and find common ground, prosperity, and peace.

When President Eisenhower founded Sister Cities International in 1956, he stated that, “If we are going to take advantage of the assumption that all people want peace, then the problem is for people to get together and to leap governments – if necessary to evade governments – to work out not one method but thousands of methods by which people can gradually learn a little bit more of each other.”

What is your interpretation of President Eisenhower’s words about Sister Cities International? What is your vision of how people to people exchanges and citizen diplomacy build peace in their communities?
