

About Lexington Sister Cities Commission

The Lexington Sister Cities Program is a non-profit organization that offers the opportunity to learn about and participate in educational, cultural, youth, municipal, professional, and tourism & economic development programs and exchanges with Lexington's four Sister Cities: Deauville, France; County Kildare, Ireland; Shinhidaka, Japan; and Newmarket, England.

For over 50 years, Lexington Sister Cities has been enabling students, teachers, and adults the opportunities to travel the world by participating in exchange programs with our sister cities. Over 500 students have been able to experience a different culture and way of life, as well as promote tourism in the city of Lexington. In the past year alone, Sister Cities sent 45 students, 25 delegates and 6 teachers on exchange and programs, as well as received 48 students and 9 delegates from our sister cities in Lexington.
