Plant Species Proposed:

Maintenance Plan Proposed:

Termination of Agreement. If a buffer area for which a permit has been issued is not properly maintained or has not met the conditions set forth in the permit, the Division of Environmental Services or its designee may revoke the permit by providing written notice of the revocation to the permit holder. If a permit is revoked, the buffer area shall become subject to the nuisance provisions of Chapter 12 in LFUCG Code of Ordinances.

Compliance. The property owner shall maintain the area after it is established. Proper maintenance shall include, as necessary, selection and use of approved species of vegetation, watering, pruning, removal of hazardous or diseased vegetation and insect control.

Applicant Signature

Date

By typing my full name in the box below, I indicate my understanding of the information shown and provided on this Greenway Encroachment Application, and I understand that I am signing this Greenway Encroachment Application electronically. This Greenway Encroachment Application authorizes LFUCG to accept my electronic signature as the legal equivalent of my manual/handwritten signature on this Greenway Encroachment Application. I hereby consent to the following legally binding terms and conditions of this electronic signature:

- (1) My electronic signature is as valid as if I had signed the document in writing; and*
- (2) My electronic signature is my consent that all information provided on this Application is correct and is my consent to all terms and conditions of this Application; and*
- (3) No certification or other third party verification is necessary to validate my electronic signature, and lack of such certification or third-party verification will not in any way affect the enforceability of my electronic signature; and*
- (4) I am the individual authorized to submit this Application.*
