DATE: November 20, 2019
TO: Payroll Coordinators
FROM:

RE: LexThrive

This memo is to advise all employees of a redemption extension.

We have been notified by Chip Rewards that there were points earned prior to the cutoff date that were not uploaded until after the cutoff date of October 31, 2019.

As such, a limited redemption extension is being offered to anyone who already has active account. As stated in prior communication, no new accounts can be activated. The window of redemption will be open from November 20, 2019 until 5:00pm, November 27, 2019. There will be no other opportunities to redeem once this window has closed.

If there are questions regarding the runout of the program, please direct those inquiries to the Division of Human Resources, Benefits Section at 859-258-3030.
