

March 16, 2020

Greetings Friends,

In recent days the Governor of Kentucky, the Mayor of Lexington and officials throughout the U.S. have taken steps to promote public safety and awareness in regards to the COVID-19. They have recommended social distancing and increased sanitation measures. Following the recommendations of the Health Department and our public officials as a socially responsible organization, The Lyric Theatre and Cultural Arts Center has made the decision to cancel or postpone all theater and cultural art center events between March 16th - April 7th 2020. Our plan is to reassess the situation in April and proceed according to the recommendations of our city and public health officials.

We sincerely apologize for any inconvenience and disruption that this decision may cause. We feel that it was the correct and responsible action to take on behalf of the health and welfare of our community. While our doors are temporarily closed, we will be taking steps to thoroughly clean and sanitize our building. We encourage you to be safe and to continue to take steps to limit the possibility of exposure by practicing social distancing, covering your mouths when coughing, and washing your hands thoroughly and regularly for at least 20 seconds. Your health and well-being are very important to us.

During this downtime, we encourage you to reach out to us on social media and by email. Please continue to visit our website for updates, videos, and streaming to stay connected. We appreciate your patience as we navigate through this challenging situation and I'm confident that we will make it through this together.

Thank you for being a very important part of the legacy and history of the Lyric Theatre and Cultural Arts Center.

Sincerely,

Whit Whitaker
Executive Director
