

LEXINGTON SENIOR CENTER NEWS INSERT

**Lexington Senior Center staff are available by phone:
Monday through Friday | 8 a.m. - 4:30 p.m.**

Call the center at 859-278-6072 to speak to any of our staff.

At this time, we have no new information on when we might be able to have in-person activities and classes. However, we want to keep you informed as much as possible.

The staff are working on a new system to allow seniors to register for classes by phone and online. Stay tuned for more information!

Do you have limited data or no internet at home? Would you be interested in borrowing a device that would provide unlimited high speed internet? Or maybe you have the internet, but would like to borrow a tablet to have a bigger screen to connect to family, friends, or participate in online classes.

If we had them available, would you be interested in borrowing the internet or a tablet?

For more information, please contact Justin Halvorson at Jhalvorson@lexingtonky.gov or at 859-278-6072
