

HARM REDUCTION

**Understanding harm
reduction and the vital role
it plays in substance use
disorder interventions**

Presented by: John Moses

John Moses is the Team Leader of Harm Reduction Services for the Lexington-Fayette County Health Department. He has over 20 years of experience in the field of public health, HIV prevention, and harm reduction.

John received the 2018 Paul Mason Memorial Award from the Kentucky Department for Public Health for his work with underserved populations.
