Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$500/person or \$1,000/family for In- Network Providers . \$1,500/person or \$3,000/family for Non- Network Providers .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Primary Care Specialist Visit Preventive Care , Vision for In- Network Providers . Tier 1 Tier 2 Tier 3 Prescription Drugs for In- Network and Non- Network Providers . Tier 4 Prescription Drugs for In- Network Providers .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan ?	\$1,500/person or \$3,000/family for In- Network Providers . \$4,500/person or \$9,000/family for Non- Network Providers . This plan has a separate Out of Pocket Maximum of \$2,000/individual or \$4,000/family for Prescription Drugs .	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket	Premiums , balance-billing charges, health care this plan	Even though you pay these expenses, they don't count toward the out-of-pocket limit .

<u>limit?</u>	doesn't cover, and Non- <u>Network</u> Transplants.	
Will you pay less if you use a <u>network provider</u>?	Yes, BlueCard PPO. See www.anthem.com or call (844) 812-9209 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>Out-of-Network Provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>Out-of-Network Provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
