**BI****BLITZ**

## September 1st-30th at McConnell Springs

In celebration of pollinators, work alongside park staff to create a snapshot of local wildlife and contribute to scientific inventory of pollinator species.

### ***How to Participate:***

- Download the iNaturalist app
- Create a profile
- Observe an individual organism such as a bee, butterfly, beetle, plant, etc. and take a clear full frame photo
- Upload your observation!
- Find and join the project “Parks for Pollinators 2022: McConnell Springs”

\*All observations made at McConnell Springs will be automatically added to the project page

### **Join us for these in person events:**

- September 11th—Wildflower Walk—2pm
- September 17th—Junior Naturalist—10am (for kids K-5th grade)
- September 18th—Nature Hop Pollinator Search—2pm
- September 25th—Tree Walk—2pm
