

Private Infrastructure Compliance Statement

I hereby certify that these Plans known as:

have been prepared in accordance with the LFUCG Subdivision Regulations; Zoning Ordinance; Division of Engineering Manuals; all requirements on the certified Preliminary Subdivision/Development Plan; and that construction will be done in accordance with these Plans. I agree to retain name of Engineer to provide sufficient oversight during construction to enable name of the Engineer to certify that the construction was done in accordance with these Plans.

Developer's Name

I hereby certify that the Plans known as:

have been prepared in accordance with the LFUCG Subdivision Regulations; Zoning Ordinance; Division of Engineering Manuals; and all requirements on the certified Preliminary Subdivision/Development Plan. I further certify that I, or someone under my direct supervision, will provide sufficient oversight during construction to enable us to certify that the construction was done in accordance with these Plans, so long as we are under contract with the Developer for such services.
