

Please note:

- Window locations (W) are only necessary for bedrooms.
- Mark exit locations (E).
- Use arrows, or another visual representation, for stairs, if existing.
- The number of vehicles that can be legally parked in the driveway and garage, if existing, must be included on the floor plan.
- The floor plan does not need to be to scale.
- Return the floor plan as part of your application.
- Post your floor plan in a conspicuous location in the rental, after marking the exit route from bedrooms and fire extinguisher locations.
