APPLICATION DEADLINE: **January 19, 2024 by 5 p.m.**
FUNDING CYCLE: **May 15, 2024 – February 15, 2025**

Technical Assistance Meeting

A technical assistance session will be held on **December 5th, 2023 (4-5 PM)** **via Zoom** for those who have questions about the funding process and filling out the application. To RSVP please contact Kimberly Burris at kburris@lexingtonky.gov or (859) 280-8006.

Eligibility Requirements

Partners for Youth's Grassroots Grant Allocations Program awards money to programs in Fayette County that provide positive youth programming opportunities for young people. This program is designed to assist small, hands-on grassroots programs, and is not a source for large grants. When considering whether a program is grassroots, the reviewers will look at the program (not the sponsoring agency) to see if it is an outreach effort, serving an underserved population. The Grassroots Grants are not meant to be for long-term support.

Effective 2019-2020: Programs will be eligible for up to five years of funding, total.

Partners for Youth will only accept **ONE proposal per organization.**

If you have received support through Partners for Youth for the previous year, all of your Progress & Financial Reports must be submitted in order to qualify for this year's funds. ***If reports are not submitted on time or without supporting financial documentation, you will not be eligible to apply.***

Note: Local and State government programs will not be considered for funding.

Completing the Application

Applications can be downloaded at www.partners4youth.org. ***Please type your proposal.*** If you do not have access to a computer, you can use one free-of-charge at the Lexington Public Library (859) 231-5500.

Partners for Youth promotes the America's Five Promises framework: caring adults, safe places, a healthy start, effective education, and opportunities to help others. We support quality programs that increase opportunities for: positive use of time, positive self-expression, and youth participation in civic engagement activities. We expect funded programs to provide the opportunities and relationships that will help young people develop skills, values, and self-perceptions they need for successful adulthood.

Attachments

If using another organization's site for the program, you must attach a letter of commitment from the organization. **Do not attach any other pages** – such as lists of board members, letters of recommendations, or anything else; these **will not** be reviewed.

Mandatory Program Interview

In addition to a written application, eligible applicants are required to meet briefly with members of a Partners for Youth Grassroots Allocation Review Committee to discuss the proposal. This meeting will be in February or March and will be **via Zoom or in person**. In February, eligible programs will be notified of available dates and times. **Failure to show up to your scheduled interview will result in elimination from our 2024 Partners for Youth funding.**

Grant Selection

Selection will be determined by the Grant Review Committee, the Grassroots Committee and the Partners for Youth Board of Directors. Members of Individual Grant Review Committees will review and score a percentage of grant applications, as well as, score the interviews of those applications they have previously reviewed. The Average Committee scores will be given to the Grassroots Committee to determine funding priorities for consideration by the Partners for Youth Board of Directors. There is no guarantee that a program will be recommended for or receive funding, regardless of qualifying score or recommendation by the Committee.

Note: A specific program cannot be awarded grant funds with **BOTH** Partners for Youth and LFUCG Social Services ESR funds for the same program.

Available funding

Grants typically range from \$750 - \$3,000.
