LEXINGTON POLICE DEPARTMENT

Traffic Stops Report
Annual Data 2019-2023

PREPARED BY ARTI PATEL

COMMENTS

- The 2022 Census population of Lexington is 320,347 with a driving age population of 266,505. Driving age population includes persons 16 years-of-age and older who are eligible to obtain an operator's license.

- The actual population fluctuates throughout the day with commuter population and tourists. Since violations are enforced regardless of residency, it is impossible at this time to quantify a ratio of tickets issued respective to population.

- Hispanic is self-reported in the census data and may be duplicated as it is not a true "race," but rather an "ethnicity." Therefore, Hispanic is now reported as an "ethnicity" rather than as a "race" as it has been reported in the past.

- The traffic stop data source is from the incident 422 code (traffic stop) with ticket or warning notice issued. The traffic stop is an individual stop with the charges being the sum of all charges issued during the stop.
