On **October 5, 2023 at 2:52 PM**, I conducted a re-inspection of the property and found that not all of the cited repairs/corrections have been completed. Inspection Comments:

Some work was completed with the walls, but no violations previously placed under notice were fully completed, and most have not been addressed at all. Major leak now visible undone the home as

well. Hazardous exposed electrical outlets have also not been resolved. Electrical needs to be resolved in this timeframe, and the other violations would be extended to 30 days from today's date.
