RE: 313 DARBY CREEK RD, Lexington, KY 40509

On **October 6, 2023 at 8:44 AM**, the above referenced property was placed under a Notice of Violation regarding required repairs or corrections pursuant to Chapter 12 of the Lexington-Fayette Urban County Government Code of Ordinances.

On **November 27, 2023 at 10:40 AM**, I conducted a re-inspection of the property and found that not all of the cited repairs/corrections have been completed. The purpose of this document is to formally notify you that due to the continued non-compliance and the presence of **3** violation(s) on the property during the above indicated "Date of Issuance", you are being issued a citation. **As established in Chapter 12-1 of the Code of Ordinances you have been issued a citation in the amount of \$425. This amount includes a \$25.00 Administrative fee.** Our records indicate you have received 4 citation(s) in this case.

The property owner may file a written appeal of this action, but must do so within 7 days of the above listed "Date of Issuance". Appeals, which should indicate why the citation should be dismissed, may be filed via U.S. Mail or by delivering the request to: Division of Code Enforcement, C/O Secretary of Administrative Hearing Board, 101 East Vine Street, Suite 500, Lexington, KY 40507, or by faxing the appeal request to (859-425-2274)—No emails. Failure to appeal this citation within the indicated time shall result in the determination the property owner has waived their right to appeal, the violations were present on the property, and the issuance of the citation was proper.

If this citation is not paid within 14 days of its issuance and it is not on appeal, a Notice of Lien Claimed may be filed. If a Notice of Lien is filed, then the property owner will be responsible for all fees and administrative costs associated with the lien as well. **All payments related to citations or liens should be made to the Lexington-Fayette Urban County Government and mailed or delivered to the Lexington-Fayette Urban County Government, Division of Revenue, 218 East Main Street, Lexington, Kentucky 40507.** Please include a copy of this citation and/or documents clearly identifying the referenced property and this citation with the payment to ensure proper credit occurs.

Please note that as outlined in Chapter 12-1 of the Code of Ordinances, if the cited repairs are not completed and the property is not brought into compliance before the above indicated "Compliance Due Date", additional penalties ranging between \$100.00 and \$2,500.00 may be assessed. Please take immediate steps to correct these violations to ensure no additional citations or liens are issued.

Please contact me if you have any questions or concerns regarding this citation. If you do not receive a response from me within 36 Hours of calling/emailing, please call our office and ask to speak to my supervisor.

Inspection Comments:

You still need to get your window/door glass replaced where broken. Broken storm windows and any storms with broken glass can be repaired/replaced OR removed. Storms are NOT required, so if removed, I can remove that violation and you can install storms later if you want.

You may want to contact a glass repair company to see how much it would cost to just repair the actual broken glass in the existing windows and door. Making sure that bedroom windows can open and stay up on their own for an emergency exit. Windows will need to be caulked at installation, but any painting of windows and some siding touch ups can wait until spring because of cold weather. PLEASE CALL ME 859-797-6230 SO I CAN EXPLAIN MORE.
