Purpose

The tobacco free policy is designed to protect the health, welfare and safety of youth and adults engaging in or watching activities taking place at city-owned and operated ballfields.

Policy Statement

The City of Lexington is committed to the quality of life for all residents, therefore, Lexington Parks and Recreation prohibits the use of all tobacco products at city-owned and operated ballfields. This includes: ballfields, dugouts, bleachers, spectator areas, concession areas and restrooms. Appropriate signs will be posted at specified ballfield locations.
