# Extended Social Resource (ESR) Grant Program

---

**FY2020**

Lexington-Fayette Urban County Government  
July 2019

This page left intentionally blank

Each fiscal year, the Mayor and Urban County Council allocate funds for use by selected 501(c)(3) non-profit partner agencies for the Department of Social Services' Extended Social Resource (ESR) Grant Program. The Lexington-Fayette Urban County Government has historically partnered with non-profit agencies for the purpose of providing priority social services to supplement and support the work of the Urban County Government. These agencies are diverse in their missions and work plans, and provide services to the most vulnerable populations in our community. This grant cycle covers Fiscal Year 2020 (*July 1, 2019--June 30, 2020*). We will award approximately \$3 million dollars this fiscal year. ESR encompasses four Priority Areas, each having Request for Proposals issued by LFUCG.

ESR Priority Areas are Community Wellness & Safety; Childhood & Youth Development; Food Insecurity & Nutritional Access; and Emergency Shelter. Thirty-five (35) agencies are receiving awards during this grant cycle, of which eight (8) agencies will receive two grant awards. Eighty-eight (88) proposals were received for the ESR Program, with total requests of approximately \$7.28 million. An alphabetical list of agencies grantees is below.
