Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

The Honorable Mayor Linda Gorton, Members of the Urban County Council and Citizens Lexington-Fayette Urban County Government Lexington, Kentucky

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Lexington-Fayette Urban County Government, (the "Government") as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Government's basic financial statements, and have issued our report thereon dated December 15, 2023. Our report includes a reference to other auditors who audited the financial statements of the Transit Authority of the Lexington-Fayette Urban County Government, the Lexington Convention and Visitors Bureau, the Lexington Public Library, the Lexington-Fayette Urban County Airport Board, the Lexington-Fayette Urban County Department of Health, and the Lexington Center Corporation, as described in our report on the Government's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

## **Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Government's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Government's internal control. Accordingly, we do not express an opinion on the effectiveness of the Government's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Government's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## **Report on Compliance and Other Matters**

Strothman and Company

As part of obtaining reasonable assurance about whether the Government's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Government's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Government's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Louisville, Kentucky December 15, 2023 Independent Auditors' Report on Compliance for Each Major Program; Report on Internal Control Over Compliance; and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

Independent Auditors' Report on Compliance for Each Major Program; Report on Internal Control Over Compliance; and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

The Honorable Mayor Linda Gorton, Members of the Urban County Council and Citizens Lexington-Fayette Urban County Government Lexington, Kentucky

## Report on Compliance for Each Major Federal Program

### Opinion on Each Major Federal Program

We have audited the Lexington-Fayette Urban County Government's (the "Government") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Government's major federal programs for the year ended June 30, 2023. The Government's major federal programs are identified in the summary of auditors' results section of the accompanying Schedule of Findings and Questioned Costs.

The Government's basic financial statements include the operations of the Lexington-Fayette Urban County Department of Health ("Health Department") and the Transit Authority of the Lexington-Fayette Urban County Government ("Lextran"), discretely presented component units, which expended \$28.88 million in federal awards which are not included in the Government's Schedule of Expenditures of Federal Awards during the year ended June 30, 2023. Our audit, described below, did not include the operations of the Health Department and Lextran because both entities have separate audits performed in accordance with the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirement, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance").

In our opinion, the Government, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

## Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America ("GAAS"); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

-3-

We are required to be independent of the Government and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Government's compliance with the compliance requirements referred to above.

## Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Government's federal programs.

## Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Government's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Government's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
  design and perform audit procedures responsive to those risks. Such procedures include
  examining, on a test basis, evidence regarding the Government's compliance with the compliance
  requirements referred to above and performing such other procedures as we considered
  necessary in the circumstances.
- Obtain an understanding of the Government's internal control over compliance relevant to the
  audit in order to design audit procedures that are appropriate in the circumstances and to test and
  report on internal control over compliance in accordance with the Uniform Guidance, but not for
  the purpose of expressing an opinion on the effectiveness of the Government's internal control
  over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## **Report on Internal Control over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a

deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

## Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of the Government as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Government's basic financial statements. We issued our report thereon dated December 15, 2023, which contained unmodified opinions on those financial statements.

Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the basic financial statements as whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

<sup>\*</sup> These amounts are also considered Federal Expenditures.

Notes to Schedule of Expenditures of Federal Awards

## **Lexington-Fayette Urban County Government**

Year Ended June 30, 2023

#### **Note A--Basis of Presentation**

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity for Lexington-Fayette Urban County Government (the "Government") under programs of the federal government for the year ended June 30, 2023. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the Government, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Government.

Federal program funds can be received directly from the federal government or passed through from another entity. Uniform Guidance Part 200, Subpart A defines a recipient as "a non-federal entity that expends federal awards received directly from a federal awarding agency to carry out a federal program" and a pass-through entity as a "non-federal entity that provides a federal award to a sub-recipient" to carry out a federal program."

Amounts in the column titled "Federal Expenditures" represent amounts expended related to programs managed by the Government. Amounts in the column titled "Passed Through to Subrecipient Expenditures" represent amounts expended by subrecipients. Such amounts are not included in the Federal Expenditures column.

## **Note B--Summary of Significant Accounting Policies**

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance and/or OMB Circular A-87, Cost Principles for State, Local and Indian Tribal Governments, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

The basic financial statements of the Government are presented on the modified accrual basis of accounting for the governmental fund financial statements and the accrual basis of accounting for the government-wide, proprietary fund, and fiduciary fund financial statements. Thus, amounts reported on the Schedule may not directly agree to the amounts reported in the basic financial statements.

The accompanying Schedule reflects certain adjustments resulting from transfers of funds between grants, adjustments, or credits made in the normal course of business. As a result, certain grants reflect negative expenditures.

Federal Assistance Listing numbers or other identifying numbers listed on the Schedule were obtained from the respective grant/contract agreement.

## **Note C--Indirect Cost Rate**

The Government has not elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

Schedule of Findings and Questioned Costs

## **Lexington-Fayette Urban County Government**

Year Ended June 30, 2023

## Section I - Summary of Auditors' Results

- 1. The Independent Auditors' Report expresses an unmodified opinion on whether the financial statements of Lexington-Fayette Urban County Government (the "Government") were prepared in accordance with generally accepted accounting principles.
- No material weaknesses or significant deficiencies relating to the audit of the financial statements are reported.
- 3. No instances of noncompliance material to the financial statements of the Government, which would be required to be reported in accordance with *Government Auditing Standards*, were disclosed during the audit.
- 4. No material weakness or significant deficiencies relating to internal control over major federal programs are reported.
- 5. The auditors' report on compliance for the major federal programs for the Government expresses an unmodified opinion on all major federal programs.
- 6. Audit findings that are required to be reported in accordance with the 2 CFR Section 200.516(a) of the Uniform Guidance are reported in this Schedule.
- 7. The programs tested as major programs are as follows:

| Name of Federal Program or Cluster                                                                            | Federal Assistance Listing Number |
|---------------------------------------------------------------------------------------------------------------|-----------------------------------|
| HOME Investment Partnerships Program                                                                          | 14.239                            |
| Emergency Rental Assistance Program                                                                           | 21.023                            |
| Coronavirus State and Local Fiscal Recovery Funds Capitalization Grants for Clean Water State Revolving Funds | 21.027<br>66.458                  |

- 8. The threshold used for distinguishing between Type A and B programs was \$2,769,132.
- 9. The Government was determined to be a low-risk auditee.
